Writing

I'd recommend a game called "The Binding of Isaac".
The plot of the game is: Isaac's mother became insane ^{from} ~~due~~ to religion and from her husband, seemingly alcoholic and with a gambling addiction, leaving the house. She started hearing voices, telling her to strip Isaac from all the "sins" and finally to ^{so} sacrifice him. Through the crack in the door, Isaac saw his mother approaching his room with a knife, and reacted fast, escaping to the basement. The game happens in a basement, filled with traps, monsters and of course items, that help the player to progress through the dungeon. ^{Eventually, the player delves deeper and deeper, all the way to the "void".} There are a lot of playable characters in the game, including Azazel, Samson, Isaac, Jacob and Esau and etc. The game is filled with Biblical references. The goal is to get all the 637 achievements (with the "Repentance" DLC) on 3 save files to ¹⁵⁰ truly complete the game. I'd recommend this game to the ¹⁶⁰ older audiences, considering the graphic content in the game. The game is a roguelike, pretty much an infinite fun generator. The lore is pretty deep, so if you're a fan of all of that, the game "The Binding of Isaac" is for you.
